WHO WE ARE

We are a group of entrepreneurial-spirited thinkers with different skill sets, lifestyles, life experiences and economic statuses. We come together with resolve, and give life to a vision. Our individual efforts combine to develop a Media Marketing Audiobook and Production Company.

MISSION STATEMENT

Our Mission is to Create Awareness of the effects of addictions.

VISION STATEMENT

Our Vision is to Establish Awareness about Alcohol, Drug, and Gambling abuses by creating, publishing, and marketing original full-cast audiobooks. Through entertaining, thought-provoking, and realistic dramas, Awareness Audiobooks provides a compelling demonstration of how Alcohol, Drugs, Gambling, and other addictions, along with all of their consequences and related disorders, adversely affect millions of people on a daily basis.

A W A R E N E S S

Then, our **Addiction Awareness Audiosode Threading Topic Search Bar** helps our Listeners to find an Audiosode that might provide mutual help to themselves and others listeners.
